## **Blasting Notification Letter**

**Project – Creekside Valley Subdivision – Phase B – Kingston, ON**

Frank's Drilling and Blasting Ltd. will commence rock drilling and blasting operations for Creekside Valley Subdivision in Kingston, ON starting on June 20, 2019.

### **Blasting Schedule**

Blasting will occur numerous times per day, between the hours of 7:00 a.m. to 7:00 p.m. One blast per hour is possible. Blasting may extend up to (but not limited to) 20 business days.

Frank's Drilling and Blasting Ltd. is hired as a sub-contractor by:  
J. Harrison Excavating Ltd.  
Head Office, 21 Steve Fonyo Drive, Kingston, Ontario, Canada, K7M 8P1  
inquiry@jharrisonexcavating.com  
Head Office Phone Number: 613-384-3432

### **Procedures for Initiating and Guarding Blast**

- 1) FDB employees will be positioned at a safe distance around the perimeter of the job site to guard and secure blast area.
- 2) Three (3) long sirens will be sounded prior to the blast to warn of imminent blast.
- 3) FDB will make a final circle check of the blast area to secure safety.
- 4) FDB employees will inspect blast area following the blast.
- 5) FDB will then sound the siren to indicate that all is clear.

Please direct any questions or concerns regarding blasting operations to our office at 613.378.2178 or info@fdbltd.com.
